• **Additional Considerations:**

- No child will be admitted to classes until this contract has been signed by the parent and the Principal of St. James Catholic School.
- Tuition and Student fees are unconditional and must be paid regardless of the actual period of a student's enrollment or attendance. Any unpaid balance of the total due according to the applicable rates herein shall become due and payable immediately upon termination of a student's enrollment, regardless of the reason for termination. I accept the school's fair judgment of reimbursement or suspension of payment.
- Any tuition payment later than 30 days from the scheduled payment could result in a letter to the parent. St. James School also reserves the right to suspend the student(s) from school classes and activities. In addition, St. James may contact a collection agency and will withhold reports of grades and transcripts. Additionally, the School may refuse re-enrollment and graduation.
- Mid-year withdrawal from St. James Catholic School will result in a pro-rated tuition amount based on the number of days attended. The student fee amount is non-refundable regardless of the withdrawal date.
- **Every family is required to have a FACTS account. All charges (such as lunches, after school care) will be deducted from this account. NOTE: FACTS charges a yearly fee of \$43.**
- St. James School desires every family to be actively involved in the education of the students. St. James Catholic School asks each family to commit to fifteen (15) hours of service each year (June 1, 2018 to May 15, 2019). In lieu of service a family may pay a nominal fee of \$150. Service hours are logged in by the parent for each service opportunity on-line. Please check one:
 - My family (adults 18 years of age or older) will perform 15 hours of service for St. James School and I agree to pay \$10 per hour for each uncompleted service hour.
 - My family cannot perform the required service hours, and I agree to pay the \$150 fee in lieu of performing service hours.
