

## **Financial Aid**

St. James is able to award **partial tuition assistance** based on financial need.

To apply:

- You must be formally **registered** (the completed registration form and paid registration fee) in order to receive any tuition assistance.
- Complete a **FACTS** financial aid application on-line at [www.factsmgt.com](http://www.factsmgt.com). This is the service we utilize to determine a family's eligibility for tuition assistance. There is a nominal fee and copies of both your W2's and tax returns (may be submitted later than deadline) are required.
- **There is a March 1 deadline.**
- Complete the **GRACE** application *if* registering for **Pre-K, Kindergarten, First Grade** or *transferring* from a Georgia public school. More information can be found at [www.gracescholars.org](http://www.gracescholars.org). (This also **requires** a completed **FACTS** application with the March 1 deadline.)
- Late applications may be submitted and will be considered as money is available. **Families cannot receive tuition assistance if they have not applied for the aid.**
- Families will be notified no later than mid-June of their award. Please remember you will need to apply *each school year* to be eligible for assistance.
